Materials at other libraries (ILL)

What is Inter-library Loan?

Inter-library loan (ILL) is a service for Gannon students and faculty used to request articles not available in our resources from other libraries from across the U.S. and around the world.

The service uses the ILLiad interface allowing Gannon Users to create a unique account for making requests. All communications are done electronically using existing Gannon email accounts.

Visit the Interlibrary Loan page for more information.

Things to know...

<table>
<thead>
<tr>
<th>Costs</th>
<th>Registration - email notification</th>
<th>Delivery Time</th>
</tr>
</thead>
<tbody>
<tr>
<td>The library assumes all costs associated with retrieving articles.</td>
<td>The ILL software requires users to use their Gannon email account to ensure delivery of system messages.</td>
<td>We depend on the holdings and willingness of others library to share requested articles. Articles are usually received and visible to students within 1-2 business days.</td>
</tr>
</tbody>
</table>
